#### 1 - Initial Narrative

Supplement	No	Supplement #	1
Narrative Date	02/13/2023 12:28	Officer	Dykes, Johnny
Narrative Includes Juvenile Information	No		

On Monday, February 13, 2023, at approximately 1019 hours, the reporting officer, Officer Dykes, responded to Kenwood Elementary School, in reference to an incident which had occurred on Friday, February 10, 2023. Upon arrival, the reporting officer met with the school principal, Evan Hunsaker.

It was brought to Mr. Hunsaker's attention, that an incident had occurred on the playground the previous Friday during recess. He stated that a group of black students had gathered several white students on a specific spot of the playground, and forced them to state, "Black Lives Matter," against their will. The suspects also were apparently recording the white students whom were forced to make the statement. He stated that a few of the students who had tried to avoid the situation, were chased down and escorted, dragged, or carried to the spot on the playground. One student was also punched in the head by one of the suspects.

Mr. Hunsaker stated that at the time of this report, there were still students whom were involved in the incident that were being interviewed by school staff. He also informed the reporting officer that surveillance video of the incident was being prepared by Dave Lyle.

Copies of the completed statements were collected and submitted into property.
